IACT Campus Day is here!

IACT College's open-day set to wow visitors.

Being *the* specialist college in creative communication, IACT College is founded, endorsed and taught by the Association of Accredited Advertising Agents Malaysia (4As) and the Malaysian Advertisers Association (MAA). IACT College is also the *only* college in Malaysia to be accredited by the International Advertising Association (IAA), New York, the worldwide organisation that represents the common interests of advertisers, agencies and the media.

School leavers who are interested to discover more about IACT College's courses are welcomed to its Campus Day on March 26 and 27, which will be held in Block K, Jaya One from 10am to 4pm.

Prospective students will be able to gain useful insights on the wide range of available courses, discuss creative career prospects and get clear explanation on education routes by having a chat with the lecturers and the experienced counsellors.

There will be special talks on selected topics by the lecturers, an exclusive display of IACT students' best works and photoshooting sessions inside its cutting-edge broadcasting studio.

IACT College's inseparable connection with the industry ensures that its course curriculum is up-to-date and carries the capacity to coach students to take on lead roles in the industry.

IACT College offers Foundation in Media Studies, Certificate in Communication Studies, and the following Diploma programmes: Mass Communication, Advertising/Marketing Communications, Graphic Design, Creative Multimedia and Broadcasting.

Founded, endorsed and taught by industry professionals
